--	-------

The American Legion and the American Legion Auxiliary express their appreciation and thanks to the schools, the Boy Scouts, and other organized units which aided so materially in the Memorial Day parade and Exercises.

TOWN OF MEREDITH

Necessary work of cleaning brush from veterans' graves in outlying cemeteries, repainting markers, etc., was carried out by a committee from the Legion.

Cars for the distribution of wreaths to outlying graves were furnished gratis by Legion members.

For the first time in several years the expenditures exceeded the receipts. This is accounted for in part because of the reduced appropriation for Memorial Day and considerable work in renovating veterans' graves.

Respectfully submitted,

W. J. NELSON, Finance Officer

TOWN OF MEREDITH

REPORT OF HEADMASTER

To the Superintendent of Schools, Board of Education, and Citizens of Meredith:

"ARE THE SCHOOLS OF TODAY DOING THEIR JOB"—such is the title of a meritorious editorial that recently appeared in a leading magazine of our country.

"In grandfather's time," the writer of the editorial points out, "schools were quite different. Then the home was the dominating influence in the life of the child: it is hardly so now. Today we expect more of our schools than ever before. Fewer children work, and each year we send an increasing number of them to school."

* * * * *

"In school they form habits that will stick throughout their lives. What policies on domestic and international issues the voters of a decade or so hence will dictate to their governments is in large measure determined by attitudes toward others that boys and girls are acquiring in schools today."

* * * * *

"It is not difficult to find out whether reading and writing and arithmetic and the other subjects are properly taught; it is less easy to measure all-important attitudes."

The truths found in the foregoing statements are self-evident.

It is folly to believe that the economic changes of the past few months have not left their imprint upon our schools. It is perhaps worse to believe that many of these imprints, both good and bad, will not remain

TOWN OF MEREDITH

as permanent factors of our educational system. What they are, or what they should be, is a story in itself and has no place in this report. Yet, in the educational house cleaning of the past few months, two factors stand out so clearly that I can not go on without mentioning them.

First, the time seems near at hand when the pupil who habitually fails, not because of any lack of ability or misfortune, but because of indifference or dislike for work,—such a pupil will not be tolerated in our secondary schools. He is too costly a liability to remain at public expense.

Secondly, because of the increasing competition in the labor and business worlds, more emphasis and attention will be paid to the quality of the scholastic record of the individual pupil.

How important a place these will hold in Meredith High School becomes your problem as well as ours.

Are our schools doing what they should?

Reflected from your minds as you read this question comes the companion question,—Is Meredith High School doing what it should?

Because any satisfactory answer to such a question needs searching thought and consideration, it can not be found in the following recital of facts. Yet, as you thoughtfully study the tables and their comments, perhaps someone will find in them the guides to correct conclusions. That these conclusions will convey a sense of steady and wholesome growth for your high school is the sincere hope and belief of the writer.

The Registration for the Current Year

The Senior High School registration is 15 less than the highest registration and 17.7 greater than the average registration for the fifteen year period.

The Junior High School registration is 15 less than the highest registration and 1 greater than the average registration.

The total registration of both schools is 6 less than the highest registration and 18.5 greater than the average registration.

TOWN OF MEREDITH

Registration of Non-Resident Pupils

Included in the registration of the Senior High School are 31 non-resident pupils from four towns as follows:

	This Year	Last Year	Gain	Loss
Center Harbor	16	16

Holderness	2	3		1
New Hampton	1	2		1
Totals	31	29	4	2

The average registration of non-resident pupils from 1920-21 to 1933-34 inclusive is 25.6.

Attendance

A comparison of our attendance record with that of the average of all high schools in the state is both interesting and gratifying. For the ninth consecutive year Meredith High School was placed on the state's honor roll of schools having a low percentage of tardiness.

The following table is for the 1932-33 school year.

	% of Attendance	No. of Tardy Marks Per Pupil
State Average	95.6	1.
Senior High School	96.2	.3
Junior High School	95.4	.6

The attendance and tardiness record for the first five months of the current year together with a comparative average of the corresponding period last year is found in the next table.

The Teaching Staff

The teaching staff is the same as that of last year. Early in January, however, Miss Ethel Eastman, instructor of History and Latin, was forced to relinquish her duties because of illness.

Large classes in History and Physics have made it advisable to hold two divisions in these subjects.

The staff has been organized into the following permanent committees for the year. The first named on each committee is chairman.

Library: Mrs. Morrison, Miss Eastman, Mrs. Pynn.

Assemblies: Mrs. Morrison, Miss Batchelder, Mr. Humiston.

Athletics: Mr. Humiston, Miss Nims, Mr. Nelson.

Teachers' Meetings: Mrs. Pynn, Miss Batchelder, Mr. Nelson.

School Exhibit: Miss Batchelder, Miss Eastman, Mr. Humiston.

School Calendar: Mr. Nelson, Mrs. Morrison, Mr. Humiston.

National Educational Week: Mrs. Pynn, Miss Eastman, Miss Batchelder.

Economy: Miss Batchelder, Mrs. Pynn, Mr. Humiston.

Teachers' meetings are held each month at which time an educational program is given. All of the teachers of the village take part in these meetings.

Miscellaneous Statistics for 1932-33

In the following table it is interesting to compare certain Meredith High School statistics with those of the average of all high schools in the state.

In the 1932-33 Annual Statistical Report of the State Department of Education from which the above table

TOWN OF MEREDITH

was compiled, Meredith High School is commended for the following:

1. A long school year.
2. A low percentage of tardiness for nine consecutive years.
3. Detail information to the state concerning work known as "B and C Reports".
4. Detail information of supplementary work accompanying reports known as "Work Reports".

In a communication from the state department, January 4, 1934, our school received further commendation as follows:

1. Exceeding the reading standards in French I and III.
2. Reports of project work and current events work for History.
3. Sight reading in Virgil class.
4. Project and contract work in English classes.

Meredith High School Alumni Association

The tenth annual Alumni Day and Banquet, held on June 15, reflected the same high degree of loyalty and enthusiasm as has characterized these meetings since the beginning. At the annual business meeting, which came after the banquet, the following officers were elected for the current year.

President	Sedley Bartlett '28
Vice President	Randolph Morrison '24
Secretary-Treasurer	Mrs. Mary Prescott '08

Later in the evening a program of music and entertainment by Arthur Snow "The Singing Sheriff" was enjoyed, after which dancing was in order.

TOWN OF MEREDITH

At the business meeting the Alumni Loyalty Cup was awarded for year 1932-33 to Elisabeth Pynn, '33.

The eleventh annual meeting of this Association will come on June 14.

Under-Graduate Organizations

There have been no fundamental changes in the three major school organizations, The Athletic Association, The Student Council, and "The Pinnacle". Each is accomplishing excellent work in its chosen field.

The Athletic Association

This association, a charter member of the Pemigewasset League, had three teams entered in the league's schedules of baseball, boys' basketball, and girls basketball; the last team finishing second in the final standing.

During the school year 1932-33 the association sponsored two term parties, and was co-sponsor of the annual Stunt Night.

In spite of the unfavorable economic period the association reported a balance of \$404.96 in its treasury at the close of the year. This excellent report was made possible largely because of the following facts:

1. Loyal support of its functions by teachers, pupils, parents, and friends.
2. Co-operation by these same people in furnishing automobiles for transportation of athletic teams.
3. Gift of the proceeds from basketball games played by "The Gray Streaks", a team composed of students and alumni.
4. Careful and efficient management by the student managers of basketball and baseball.

TOWN OF MEREDITH

Our school gymnasium continues to be a source of pride of not only the student body, but of the Pemigewasset League as well.

The Student Council

Loyal, efficient, and deserving of genuine praise, the Student Council continues in its twelfth year of service to its school.

"The Pinnacle"

Our school paper as well as our athletics reflect capable and efficient business management. With all obligations paid there was a \$8.86 balance with which to begin the current year.

When one considers that this student activity is organized on a non-profit basis and is self-supporting, its sound financial standing year after year becomes a source of real pride.

Certain economies were inaugurated the past year, none of which, however, lowered the high standard enjoyed by our paper in its sixteen years of history.

Miscellaneous Activities

Prize Speaking:

The fourth annual Prize Speaking contest took place on April 14. The contest this year was opened to volunteers from the senior and junior classes.

The Meredith High School Prize Speaking Pins, the gifts of Mr. and Mrs. Stewart Bosson, were awarded to the following winners:

First Place	Julia Moscardini '33
Second Place	Beulah Libby '33

Honorable mention was given to Daisy Carleton '34 and Regina Valliere '34.

The fifth contest will be held on April 6, 1934.

TOWN OF MEREDITH

School Exhibit :

The next annual school exhibit will be held on June 1.

Senior Class Trip 1933:

Following commencement last June the graduating class, accompanied by three chaperons, enjoyed a week's trip to New York City.

Exchange of Plays by Class of 1934:

An exchange of class plays by our present senior class and the senior class of Coe's Northwood Academy took place at Northwood on January 12, and at Meredith on January 26. Both occasions were enjoyable and successful.

Assemblies:

School assemblies are held each Thursday afternoon at 3:20 at the Town Hall. Three permanent assembly committees have been appointed from the student body. These committees with a teacher adviser arrange for each assembly in turn.

It is most satisfactory to know that many parents and friends are attending these programs regularly. All are cordially invited to all future assemblies.

Holidays:

The school has heartily co-operated in the observance of holiday exercises and special community events. Armistice Day, Memorial Day and Alumni Day are among the more important occasions.

Meredith High School Day:

On Friday, November 24, the Second Meredith High School Day was held. On this occasion regular classes were suspended and the teaching staff and student body devoted their time and energy in accomplishing over twenty projects for the betterment of our school.

TOWN OF MEREDITH

The enthusiasm and co-operation were commendable, and whether measured in terms of physical improvement or accomplishments in leadership, the occasion was a genuine success.

The Sarah Roberts Library:

This school library continues to function successfully under student librarians. A new system of pupil admittance by a reference work slip is being used for the first time this year. It is proving to be successful.

Hot Lunches:

The Home Economics Department is serving hot lunches during the winter months. The lunches are well patronized and bring real pleasure to those who have to carry their noon day lunch.

National Educational Week, November 6-12:

Appropriate observance of this week was arranged and carried out by the committee of teachers in charge. Especially successful and pleasant was an evening session of school which was attended by a large number of parents and friends.

Coming Events:

The major events for the remainder of the current year are scheduled as follows:

April 6	Prize Speaking Contest
May 18	Stunt Night
June 1	School Exhibit
June 14	Alumni Banquet
June 15	Commencement

Conclusion

As I conclude this report for 1933-34, I would be ungrateful indeed, if I did not pay a well deserved tribute to my fellow teachers in Meredith High School. Well trained, conscientious, and sincere; each has tried to give his or her best to make Meredith High School a little better.

To our Superintendent of Schools, to the Board of Education, to the parents, and to the citizens of our community, I extend my sincere thanks and appreciation for your co-operation throughout the year—a gratitude that I know our teaching staff and student body would also extend to you if they were present as I write.

In a letter from the headmaster of a New Hampshire secondary school, the following statement is quoted concerning the pupils of Meredith High School.

* * * * *

“.....and I must praise the sportsmanship and good behaviour of your pupils. They were a credit to the institution they represented, Meredith High School.”

* * * * *

May our school continue to justify these fine thoughts, and may its pupils and its graduates ever take an active place in upholding and perpetuating wholesome and worthwhile things in our community, state and nation.

Respectfully submitted,

WESTLY J. NELSON

Headmaster.

TOWN OF MEREDITH

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Meredith:

As in other years this report gives honorable mention to those pupils who have been regular and punctual in attendance.

Poor attendance now is rarely due to the pupil. In nearly every case of irregular and careless attendance, it is the parents who are at fault.

A few to defend their own lackadaisical ways, blame the schools for trying to see that each child has an equal opportunity.
